The Louisiana Suite at Cottey College is home to 10-14 young women attending Cottey College. The suite has a shared living area, a small kitchen, a common bathroom, and individual and double student bedrooms. The suites are remodeled on a rotational basis which is approximately every ten years.

Suggestions for use of the fund are accepted from Cottey College, Louisiana Past State Presidents, the Louisiana State Board, and local chapters. Suggestions should be sent to the Chairman of the Louisiana Cottey College Committee for committee approval. Upon the committee's approval, the suggestion will be sent to the Louisiana State Board for final approval and submission to Cottey College.
